

Ellas Blues

Words & Music: Ella Fitzgerald, Arr. Rumpf/Wendt
Sung by Inga Rumpf (Fifty Fifty)

Well, it's springtime
And I wanna see my man

He gonna kiss my hot lips
I'm sure we feel springtime again

He's my loving baby
And I love him so strong

Oh, why he's gone away
His arms are where I belong

I told Santa Claus
Please listen to my plea

Don't send me nothing for Christmas
But send my baby back to me
