

## Sexual Healing

Words & Music: Marvin Gaye

Wake up, wake up, wake up, wake up  
Get up, get up, get up, get up, get up

Oh, Baby, now, let's get down tonight  
Mmh, cause we know it's right  
Ooh, baby, I just like your loving  
I need your loving, your loving  
Oh, baby I can't hold it much longer  
It's getting stronger and stronger

And when I get that feeling  
I want Sexual Healing – Sexual Healing  
Makes me feel so fine  
Helps to relief my mind, oh yeah  
Sexual Healing - baby, is good for me  
Sexual Healing is something that is good for me

Whenever blue tears are falling  
And my emotional stability is leaving me  
There is something I can do  
I can get on the phone and call you up, baby

I know you'll be ther to relieve me  
The love you give to me will free and please me, yeah  
If you don't know the things we're dealing  
I can tell you, darling, that is Sexual Healing
