

Don't Treat Me This Way

Today you treat me like you want me to go
Yesterday you said that you love me so
It would be all right if you said go or stay
Or tell me that you don't wanna see me today

Don't like this feeling that there's something wrong
Oh, baby, please don't let this show go on
It's so easy to say what you need
I'll understand it, 'cause I love you indeed

Don't treat me this way
If you want me to stay
Don't let me feel down
If you want me around

I searched for you for such a long time
I would do everything what comes up in your mind
I wouldn't harm you, wouldn't let you down
I'm just happy to know you around
