Keep on knockin'  
But you can't get in  
Keep on knockin'  
But you can't get in

Keep on knockin'  
Can't get in  
Keep on knockin'  
Papa, try again

I hear you knockin'  
But I won't let you in  
I hear you knockin'  
But I won't let you in

I want you to remember  
Last Friday night  
You were looking for someone  
To hold you tight

Keep on knockin'  
But you can't get in  
Keep on knockin'  
But you can't get in  
Keep on knockin'  
But you can't get in
